

Bonnie Brae Neighborhood Association meeting minutes
July 8, 2026

The meeting was called to order at 5:30 pm. Board members in attendance via conference call or in person were as follows: Dave Anderson, Steve Ferris, Elizabeth Anderman, Steve Weiner, and William Steitz. There was a quorum of current Board members to conduct official business.

District Six Councilman Paul Kashmann joined us and discussed Park issues, the current municipal sidewalk initiative, and the City budget.

Mr. Aiden McMorrow works at the Denver Animal Shelter. He attended our meeting, and explained the many services the Shelter provides. He will follow up with a presentation of these municipal services that we can include in an upcoming newsletter.

Dana Busch presented materials and commentary on the proposed BRT Colorado Boulevard project. This project is currently in the planning stage. Ms. Busch and other RNOs in the vicinity of Colorado Boulevard would like BBNA to draft a letter or statement in regard to its views on the BRT project. We will work on a draft during the next month and will have the Board vote on the final document.

We had a successful food truck night in the BB park on June 14. The next scheduled food truck evening will be held on July 12. A third evening is planned for August. Lisa will continue to manage these evenings, but it has been challenging to locate vendors with great food, but whose minimum sales level is low enough for the BBNA to contract with them. Many vendors have high event minimums, and the BBNA would have to pay any shortfall in sales if a minimum sales guaranty was not met.

Our September picnic will be held on September 20. Elizabeth has volunteered to manage again this year. We will have a planning meeting on August 19th.

There are no new development plans for Belcaro Plaza.

Board recruitment was discussed. We currently have two vacancies to fill.

The meeting was adjourned at 7:15 p.m.
